## Body Coplans John Random House

**death and the handmaiden: the photography of john coplans ...** - that john coplans's photographs of his own naked, aging, vulnerable body evidence a particular—and deliberate—concordance with mortality. but before i examine coplans's work, let's take a look at photography in general, and the reasons why photography and death are so readily coupled. a **in my shoes art & the self since the 1990s** - john coplans upside down no.1 (1992) i photograph my body. i generalize it by beheading myself to make my body more like any other man's. nakedness removes the body from the specificity of time; unclothed, it belongs to the past, present, and future. it is class-less, without country, unencumbered by language, and free to wander across **modern american grotesque - muse.jhu** - modern american grotesque goodwin, james published by the ohio state university press goodwin, james. modern american grotesque: literature and photography. **module 1: additional teachers notes: information about the ...** - john coplans originally had a successful career as a painter before working as a critic, editor (of artforum magazine) and later as a curator in america. in the mid 1960s he began taking photographs of his own ageing naked body. the photographs focus on isolated body parts showing them enlarged and close-up, so that they seem at once **ellsworth kelly (b. 1923, newburgh, new york) by sarah roberts** - ellsworth kelly (b. 1923, newburgh, new york) by sarah roberts ellsworth kelly's work is about the act of pure looking. each of his vibrantly colored canvases and perfectly balanced forms blazes brilliantly, the optic equivalent of a clarion bell ringing out in the silence. **curators talk - museum folkwang** - body, which is made possible by the broad range of the pinault collection and punctuated by works ... curators talk. them, the general context—such as the exhibition partners or locations—allows a new, richer, different gaze on the collection. the point is always to foster fresh dialogues and synergies with ... such as john coplans, arnulf ... **visibilidades e visualidades da velhice na fotografia ...** - random, which provides a constant mediation between the viewer and reality. this mediation with the symbolic domain leads to an instance in which the visual exceeds a restricted barrier to physical / physiological domain of perception, building along ...
